Successful Fundraising Golf Day Raises N\$42,000 for Have a Heart Namibia

Have a Heart Namibia is thrilled to announce the tremendous success of its recent fundraising golf day, held at the prestigious Omeya Golf Club on 26 July 2024. The event, hosted by the Nineteenth Hole, organised by DZ Golf, and generously sponsored by Strymar Trading, raised an impressive N\$42,000.00, a significant boost for our mission to provide free sterilization services for cats and dogs from low- and no-income homes across Namibia.

The day was filled with excitement and camaraderie as golf enthusiasts and supporters gathered for a round of golf to benefit a vital cause. The funds raised will be instrumental in enabling Have a Heart Namibia to continue its essential work in improving the lives of countless animals by preventing overpopulation and promoting responsible pet ownership.

“The success of this golf day is a testament to the generosity and support of our community,” said Anne Mans, committee member of Have a Heart Namibia. “The N\$42,000.00 raised will make a tremendous difference in our ability to provide free sterilization services to those in need. We are deeply grateful to Strymar Trading for their title sponsorship and to everyone who participated in and supported this event.”

Strymar Trading, as the title sponsor, played a pivotal role in the event’s success. Their commitment to supporting local charitable initiatives is greatly appreciated by both Have a Heart Namibia and the broader community.

About Have a Heart Namibia

Have a Heart Namibia is a nonprofit organization dedicated to providing free sterilization services to cats and dogs from low- and no-income homes throughout Namibia. Through their efforts, they aim to reduce the number of homeless animals and promote responsible pet ownership.
